Why do we show you horoscope information?

Instant Checkmate was originally created as a resource for online daters to learn more about someone before meeting up in person. Now, our membership base is much broader, but we wanted to keep this information in our reports for the folks out there who still use us to "Check their mate." Our unique horoscope compatibility chart is a fun, creative way to see what the stars have to say about your love life!

☆ Donna Sue Pino is an Taurus

Taurus Personality:

Taurus is a stable earth sign who loves to indulge in the finer things in life. This sign is symbolized by the bull and can be stubborn at times. But, the upside to these unyielding beliefs comes a unique kind of persistence and determination to get things done. Taurus is a loyal, romantic sign and will jump at the opportunity to spoil someone else. This sign's love of excess will shine through during the courting phase of a relationship. Earth signs are also active and love to roam, so if you're looking for a weekend warrior to go on adventures with, turn to a Taurus.
